

ONLINE COURSE REGISTRATION

In addition to our core curriculum of in person training programs, WorkWell Prevention & Care is pleased to offer a variety of Occupational Health-focused online training courses. Our online courses are all live, interactive webinars which allow you to get the most out of the training process. To view the online course calendar and register for upcoming courses, please go here:

<https://attendee.gototraining.com/3h9n9/catalog/5285654050181775872?tz=America/Chicago>

Online courses vary in cost from \$100 - \$450, depending on length and content.

****Please note:** Online course attendance is a **FREE** benefit with the upgraded WQP Easy Train Subscription membership plan. If your facility has not yet joined the Easy Train, it's not too late to hop on! Look here for more information: <https://www.workwell.com/services/providers/easy-train/>

Step 1: In the drop down box below the course, select the date for which you would like to register, then click the Register button.

Short Functional Capacity Evaluations: Research and Practicalities

Over the past 10 to 15 years, there has been an increased interest in streamlined functional testing related to body specific areas or work related physical demands
